Overview

Cruising value is all about live-aboard comfort.

This Hunter 376 offers a separate shower stall independent of the head, a feature considered by many a must when two or more are out on the water for any length of time.

All hanging lockers are cedar-lined. The forward stateroom has, in addition to one of these, plenty of drawers, a vanity with its own mirror and sink, and a window in the cabin bulkhead that opens into the saloon.

The aft stateroom offers all the privacy and comfort that feels much larger than a 37' boat could offer.

Big Blue can easily be single-handed and sleeping with the AC on is a pleasure on those humid nights.
