## Overview

---

Built in 1984 as Hull #56, completely overhauled in 2006/2007, and continuously upgraded since its last sale in 2015, for the first time in almost 10 years, you get the chance to own a part of custom Sportfishing history. Known for their excellent fishability and handling in any sea condition, Storm Rider, a 50' Whiticar built locally in Stuart, Florida, has been expertly maintained and brought to modern day standards by its current owner. Storm Rider was repowered in May of 2021 with QSM-11 715 hp motors, offering a fuel efficient cruise at 28 knots burning approximately 50 gph. and a top end in the mid 30's. Both motors are under factory warranty through May 2027. Recent upgrades include a full repaint in 2020 and a 2019 16 KW Northern Lights generator. Inside the boat, you find a spacious salon with custom couches along the port and starboard side. As you continue forward, below you'll find a galley, a day ahead adjacent to the galley, and stand-up rod locker. In the forward cabin, you'll find a twin v-birth with a dedicated head and shower. The cockpit has been updated with full mezzanine seating, a stainless freezer and Eskimo ice machine, Scopinich rocket launcher, and full teak deck and covering boards. The bridge has been customized with new Release helm chairs, updated Garmin electronics, new enclosure, and more.

## Basic Information

---
