## Overview

---

The Monte Carlo 52 is the next generation after the extremely successful Monte Carlo MC5. She features a lot of improvements based on customer feedback, including more interior space, more natural light and certainly more comfort.

This 2022 MC52 has been kept in practically new condition with many of the original covers still in place. A recent haul out for annual maintenance including new bottom job and running gear, zincs and services (engines, pods and generator) was completed September 2023. The engine room is in pristine condition and the only thing remaining before her next adventure is to move on with your belongings.
