## Overview

---

Genevieve is a one-owner Alerion Express 28 sloop that was designed for sailing and cruising comfort with efficient speed and maneuverability. Her 2022 Yanmar diesel engine with low hours and her sails are in very good condition. Her proportions and graceful sheer from overhanging bow to stern are very attractive in a traditional sense as well as her more modern long waterline and fin keel that contribute to her ease of handling and speed. She features a well-designed system of halyards and sheets leading to the cockpit for raising, lowering, and tending. Below in the cabin is a well thought-out interior with two large overhead hatches, four port lights, a double berth forward, long settee/berth aft, galley sink and counter, and head with privacy curtain. The entire cabin exhibits professionally crafted joinery with varnished teak trim, white bulkheads, and a teak and holly sole. Genevieve offers good sailing and is a very well-designed and attractive 28-sloop!

## Basic Information

---
