Overview

Blueprint stands as a rare and enticing opportunity for enthusiasts seeking ownership of the sophisticated Riva 68 Diable, a model renowned for its sleek design and ideal proportions. What sets Blueprint apart is the uncommon chance to acquire this sought-after vessel without enduring the customary one-year waiting period for a new delivery. Originally received by its owner in the winter of 2022, Blueprint navigated the waters up to Maine in spring and has been cherished over two delightful summers. During winter, the boat found refuge in a heated indoor facility, maintaining its impeccable condition. Boasting a mere 382 engine hours, Blueprint is a testament to light usage, making it an as-new vessel ready to be embraced by its next owner. This unique offering is orchestrated by a motivated and market-aware seller, ensuring an unparalleled opportunity for those with an appreciation for excellence on the water.
