SPECIFICATIONS

Overview

The Lagoon 420 is one of Lagoon's most successful designs and is known for its robust construction and generous interior volume. It is solid fiberglass below the waterline for peace of mind in far off anchorages and is favored by cruising families, and also favored by those who entertain or live aboard because of the great guest spaces and tall cockpit space for gathering. This particular 420 **OWNERS VERSION has NEVER BEEN CHARTERED** and is significantly upgraded to survive far off grid with a massive solar array on a custom stainless steel arch, a large lithium battery bank, smart charging and monitoring systems, and a 40 gallon per hour water maker. This boat has not needed to be plugged in to shore power in the 3 years since the installation of these systems. "Easy Tiger" is ready to go cruising right now with an extensive inventory of state of the art electronics, dinghy, safety equipment, good sail inventory, tools, spares, dive compressor, 6 dive tanks, barrier coated bottom, and so much more.

"Easy Tiger" also has two complete electrical systems, US based AC 110, AND Euro 220. Each one is individually and professionally wired. This capability, along with the big battery bank and solar array, will be the envy of every boater you meet and allows you to use any appliance or take advance of any power you find anywhere you go should you need it. Both receptacles are throughout the boat, both chargers and inverters and both shore power receptacles are in the boat. The engine rooms are near spotless and reflect the owner's belief that cleanliness is a safety issue. The engines run smoothly and give off very little belt dust, the racor filters have pressure gauges to warn when they are due for replacement, the impellers are recently replaced, and there are spares for nearly everything for roughly 2 years! There are replacement pumps for all pumps on board and a significant collection of spares for all filters, belts and much more. Please read detailed description for a list of many of the items included in with this very complete and special vessel.

U.S. Import Duty has been paid.

Basic Information

Category: Catamaran
