SPECIFICATIONS

Overview

PRICE REDUCTION - Sellers can deliver the boat in West Med! Trade in with river barge in France could be considered! For sale is a meticulously maintained, VAT PAID, 2009 Adagio 44 Sundeck LBC trawler boat that seamlessly combines comfort, sea performance, and practicality. This exceptional yacht is powered by twin Volvo engines, specifically the reliable D4-260I, ensuring an efficient cruising experience.

It is a true live-aboard delight designed for comfort and extended voyages in the Mediterranean. The interior of the Adagio 44 features craftsmanship evident in the quality of the interior woodwork. No “plastic fantastic” or “Ikea boat” here; this vessel is solidly built to last and will provide quality enjoyment for years to come.

The spacious and well-lit salon features large windows, creating an ever-changing view of the scenery outside. The owner's cabin has high ceilings and a walk-around queen-size bed. The generously appointed second cabin provides ample space for overnight visitors, allowing you and your guests to enjoy the journey comfortably. The large biminis, new in 2023, mean you can relax outside and enjoy the breeze in the shade on the hottest days. A large swim deck makes it safe and easy to enter and exit the sea to cool off.

The boat's displacement hull enhances stability and contributes to impressive fuel economy, making long-distance cruising a pleasure. With an extraordinary autonomy of almost 1,000 nautical miles at economy speed, this Adagio 44 ensures that fuel stops do not limit your voyages. With a watermaker, 1025 watts of solar (new 2023), a generator, a washing machine and an electric outboard, you can spend a whole season without returning to the marina. The Low Bridge Clearance (LBC) feature adds an extra layer of versatility, allowing the boat to navigate through the rivers of Europe.

With only two owners since it was built, this Adagio 44 has been cherished and maintained to the highest standards. The vessel is presented in absolute turn-key condition, ready to cruise as soon as you move aboard. It has always been used as a private boat and never chartered. It is a testament to its history of attentive ownership.
