## Overview

---

This 1983 Pearson 303 is available for sale and is located in Marion, MA. Unlike any other 303 currently for sale, she boasts a 2018, 21 H.P. Yanmar diesel with low hours. New interior cushions, well maintained cruising sails, and a nice suite of electronics round out the features. The Pearson 303 is a big 30-footer, intended for safe coastal cruising. The boat admirably succeeds in doing what she was designed to do. The hull is solid fiberglass and the keel is integral to the hull with the lead ballast internal, so there are no keel bolts to worry about. The cabin sole is a one-piece fiberglass molding bonded to the hull. The interior has oiled teak to highlight the high-pressure laminates used on cabinet facings. Stowage is adequate for a 30-footer.
