SPECIFICATIONS

Overview

Classic 1983 Morgan 384 – 38' Cruiser Nearly 500 of the 1977 Ted Brewer designed series Morgans were built and in production until 1986 (only about 80 Morgan 38's were built before that). When the 384 model was introduced, there were several subtle changes; the rudder was slightly enlarged, there were slight modifications to the interior, mid-boom sheeting was introduced, and the traveler was moved out of the cockpit to the cabin top, and ventilation was improved with the addition of four Dorades with cowl vents. "Peregrine" is well equipped for cruising with appropriate features:

- Dutchman Main Flaking System
- Quantum Fusion MR5300 Furling Genoa
- ¾ oz. Cruising Spinnaker w/sock and ATN Tacker – lightly used
- 6 Lewmar winches, 5 self-tailing
- Carbon fiber double spreader mast – 1997
- Spade S100 galvanized anchor 44#
- 225ft 5/8" 8-plait nylon rode with 20ft 5/16" G4 HT chain
- Raymarine ST6002 Smart Pilot

Currently on the hard and located in Barrington, RI she is easy to see (if you are comfortable climbing a ladder).

Basic Information
