SPECIFICATIONS

Overview

Want to Cruise Comfortably? Description AQUARIUS is a unique offering. The hull and deck were purchased at auction in 1993, not long after the builder went out of business. For the past 29 years, the boat has been assembled inside an enclosed building on the owner's property. Every component is OEM. Every screw, washer, wire, hose and hose clamp is new.

The interior woodwork is dimensional teak and the joinery work is on the level with some of the highest regarded builders in today's boat building industry.

The owner is an electrical engineer and the every detail of this boat was carefully thought out and executed. The electrical work alone is a work of art. Unfortunately after a 29 year odyssey and a launch in 2022, the owner has decided to sell AQUARIUS.

This is an opportunity to own a classic design, but is virtually a brand new boat in all respects. Solar, New Sails, and many more. Aquarius is TURNKEY and ready to take you where you want to go in Comfort and Traditional Style!
