## Overview

---

This is one of the best deals for a 43' Midnight Express on the market right now. Very highly optioned and priced to sell.

With the additional SeaKeeper fitted and the removable rear seats, she's well set up for fishing, cruising, diving, partying, or being used as a tender.

The fiberglass T-Top offers 360-degree fishability, something most of the comparable 43s with fiberglass arch supports cannot.

Bow and stern thrusters provide great maneuverability in tight spaces and more safety compared to a joystick system. When running at high speeds, stainless steel tie bars to prevent the outboards from moving independently.

The quad 450R Mercury engines have under 700hrs and the extended platinum warranty package.

Call the listing agent to schedule a showing or present an offer.

Key Features Include:

- **SeaKeeper Stabilized**
- Quad Mercury 450R Engines with PLATINUM Warranty
- Upgraded Garmin Electronics Package + FLIR Night Vision
- Bow + Stern Thrusters
- Tender Tow Ready --- SS Tow eye and Light; Plenty of Spare Parts
