Catalina Capri 22

Known for its sweet sailing performance in nearly all conditions, the Catalina Capri 22 has been among sailors since its introduction. The Capri 22 is more comfortable, safer at sea and easier to maintain than any boat in its class.

The striking deck profile is flared across the stern and has wider cockpit corners for more comfort during and after sailing. Under the full-reeling length seats is a large storage locker and optional battery locker.

Maintaining one design hull and rigging and allows for increases in efficiency and reduction in effort. Helpline ease the sails with less effort, thanks to the elimination of deck running blocks.

A 12 volt electrical system with control panel offers all the conveniences of automation and entertainment at the touch of a switch.

A complete racing package is available, including spinnaker system, sheets, pole and backing lines on all boats.

The incredible head and available galley module make the Capri 22 suitable for extended day-sailing or weekending.
