SPECIFICATIONS

Overview

The design of this Doggersbank is based on the MY1570 and has been extended by Vripack. This created a unique design with a large aft deck and a very seaworthy hull with very nice sailing characteristics. Both previous owners have made beautiful sea voyages with the "Haaks" in recent years from the Netherlands to places like; Stockholm, Scilly's - Normandy, and Finland. To do so safely, professional maintenance has always been carried out and the vital systems have been duplicated. "Haaks" is in our covered sales marina in Sneek, we cordially invite you for a viewing.

verhaaltje Dick Boon over deze Doggersbank

Januari 1990 – Hans van Klaveren geeft Vrijpack opdracht voor het ontwerp van een Doggersbank 1570 MY met een lengte o.a. van 16,75 m. De opdracht verloopt op dezelfde wijze als het jacht van de heer Menken. Beide jachten worden gelijktijdig gebouwd bij dezelfde vier individuele partners van Doggersbank Jachtbouw B.V. De beide jachten zullen na de oplevering veel samen opvaren.
