SPECIFICATIONS

Overview

Sails Pitch is a cold molded Custom Carolina built by Jim Luxton of C&L Boatworks. This 2004 58' is rigged with C-18s (2100 hours with a fresh 1k service in April of 2023 including new after cooler cores) and carries 1200 gallons of fuel in aluminum tanks for amazing efficiency, range and impressive cruise numbers. Sails Pitch boasts a 3 stateroom, 2 head layout and as you step onboard you immediately notice the spaciousness throughout the cockpit, salon, galley, dinette and staterooms. Sails Pitch features a large master SR with an athwartship queen walk-around bed that faces an HD TV mounted on the forward bulkhead. In the starboard stateroom you have a spacious over/under bunk room with a hanging closet and aft of it is a walk in shower/bath. The forward stateroom (VIP) features a walk around queen bed and has ample closet & storage space. Just aft of the VIP is a custom rod locker.

Recently, the owners installed a Simrad SY50 omni sonar for competitive tournament fishing. Below you will find an extensive, over 1m refit within the last few years. Comes with a maintained log book since the current owner purchased the vessel in 2019 and can also furnish all detailed receipts if needed. This boat is maintained with an open check book and has all the necessary wants and needs to fish anywhere in the world.
