SPECIFICATIONS

Overview

Vessel can be seen at Lauderdale Marine Center, Fort Lauderdale in "Free Trade Zone".

Unbeatable value, ready for immediate delivery. ASKARI is the only FD Series Tri-Deck available on the brokerage market.

She is one of the new FD100 Tri-Deck series by Horizon, – custom designed as a flexible semi-displacement, extended-range explorer vessel with all the comforts of home. ASKARI has a range of 2,100 nm at 9 knots but can sprint to a top speed of 22 knots. With an upgraded 4,800 gallon (18,170L) fuel capacity, the yacht is capable of cruising long distances off the Florida coast without the need to refuel.

The powerful Caterpillar C32 1800hp engines possess the ability to cruising at a speed of 18 knots. The engines currently have 4 years of extended warranty remaining.

With an overall length of 103' ASKARI features a traditional layout on the main deck, with an expansive aft deck, a salon highlighted by full-height windows, and a formal dining area and galley forward.. Large open-plan spaces provide flexibility and versatility which has become a definite requirement for the Florida market.

Guest accommodations extend from the on-deck master to four further staterooms on the lower deck comprising mirrored VIPs amidships and a double and convertible twin forward. Crew quarters for four and a huge garage for water sports storage is situated aft of the engine room.

The deck areas on this vessel do not disappoint, with the semi-enclosed full beam skylounge giving you the space of over 120' yacht. The flybridge is perfect for weekend in the Caribbean sun hosting a bar and seating area and extending aft to a full dining area with a large jacuzzi tub. The tender storage for a large tender up to 15' is on the foredeck or space for water toys such as jet skis, freeing up the entire boat deck for guests only with plentiful seating, entertaining and sunbathing spaces around the Jacuzzi.

The extended custom swim platform has an ungraded 3500lb three-stage lift capacity and can easily cater for a tender up to 18' with room to spare. A state of the art helm station features (6) NAV screens in which you can log all the service and maintenance history through the factory installed software - Seahub. This system will keep you up to date with maintenance due, upcoming and overdue. You can even assign maintenance to crew to ensure it is completed.

The addition of the Tri Deck features another driving station for the perfect days cruising through the Bahamas, with ample sun lounges and seating to soak up the sun. Ice maker and refrigerator are close by, so a nice cold drink is only steps away. Features Include:• 2 x 40kw Generators plus a 19kw Night genset –(Triple redundancy)• Upgraded stabilizers & thrusters• Upgraded and extended swim platform with 3500lb lifting capacity. • Upgrade helm with 6 NAV screens•

Upgraded fuel capacity• Huge water sports storage in garage• Full Beam skylounge• Large tender and toy storage on the bow with 2500lb crane• Fitted with Seahub Maintenance software installed from factory• Diesel tender pump in garage• Custom upgraded AV system• Award winning Interior - “Best Saloon” at international Design E tal superyacht and aviation awards 2023 - Venice
