## Overview

### Daring Devotion: Bold is Beautiful

The Sirena 68 may shape one's expectations of what a cruising yacht can be, only to summarily exceed each of them, one by one.

Feel at Home Wherever You Explore The interior is a special blend of craftsmanship elevating every aspect of the space, to make it feel welcoming, comfortable, and spacious. Interior design by Tommaso Spadolini, pairing Italian flair with Turkish craftsmanship—it is a stunning model with huge aesthetic appeal.

The 68 incorporates the innovative German Frers hull design which delivers world-class range by allowing displacement speeds for extended cruising.

This vessel is available for showing during the Miami and Palm Beach boat shows. Please contact Pete McCormick at (510) 701-4880 for more information.
