# SPECIFICATIONS

---

## Overview

---

Launched in 2018, MINI Y combines elegance with practicality. Designed by Dixon Yacht Design, known for their expertise in crafting comfortable vessels, the Baltic 85 Custom features a silver hull and impressive speed. Displacing just 50 tons, light-ship, MINI Y utilizes an innovative construction with an E-Glass outer layer, carbon inner layer, and foam core, enhanced by carbon bulkheads and panels. A telescopic lifting keel with an 11.39-ton bulb reduces draft to a useful 3m, aiding navigation in diverse waters. Thoughtful space planning and high-quality specifications ensure she offers a comfortable experience. MINI Y provides enjoyable sailing with easy handling, making it suitable for clients seeking simplicity in a superyacht. The interior, designed by Mark Whiteley Design, includes a light and airy saloon, a spacious owner's suite, and a twin guest cabin, all finished in pear wood. Detailed planning maximizes space, creating a sense of grandeur.
