SPECIFICATIONS

Overview

AKIKO is a 34m custom expedition explorer yacht, presented in pristine condition thanks to her extensive 2023 refit.

AKIKO's distinct exterior was designed by renowned Naval Architect Gregory Marshall and was constructed of all aluminium by Alloy Yachts. Her sleek exterior was purposely built for exploration, making AKIKO a versatile vessel that boasts a 3,500nm range of expedition capabilities. She is fitted with zero speed stabilisers.

During her 2023 refit, AKIKO had a full repaint, her main engines were overhauled and her aft deck was redesigned to raise the separate back deck to the same level, making for a better use of the guest space. The entire interior was also reworked, focusing on improving her layout to achieve a modernised look and feel.

- **KEY FEATURES**

- Extensive 2023 refit with full repaint, redesign of the aft deck and interior refurbishment
- Built to explore remote regions, perfect for off-the-beaten-track adventures
- Full beam owner's cabin with aft deck
- Excellent volume throughout with 281GT
- Private and covered deck spaces for complete relaxation
- Zero speed stabilisers
