## Overview

---

The Dufour 37 is the only yacht in her size range to offer so many living spaces on board.

The hull of the **Dufour 37**, like her big sistership the Dufour 470, is built using the infusion process for correctly controlled weight, greater strength and respect for the environment.

Thanks to optimised volumes and a bow designed for greater volume forward, the Dufour 37 offers a **very spacious owner's cabin** at the front, with excellent headroom.

Whether the three-cabin or two-cabin version with its large bathroom, the interior of this model is bathed in light thanks to the large central hull windows.

### The Dufour DNA

All the Dufour DNA has been retained: **enjoy large outdoor living spaces.**

The Dufour 37 benefits from the major innovations that made the Dufour 470 such a success: the bowsprit platform, the large deck hatches and hull windows, and the layout of all the outdoor space that makes it easy to move around on deck. You'll also enjoy a bigger cockpit than on other yachts of this size.

Aboard this new model, as on all the latest models in the range, **the emphasis has been placed on outdoor living.**
