SPECIFICATIONS

Overview

Introducing the INFINITI 60 GT, a masterpiece of marine engineering and design. Constructed with confidence using state-of-the-art materials like epoxy infused carbon/foam and e-glass/foam, this vessel sets a new standard in strength, durability, and osmosis protection. Its Awlgrip painted hulls offer a superior finish, while a 5-year structural warranty ensures peace of mind. Experience unparalleled comfort with smart design features that enhance both functionality and aesthetics. The innovative foil-driven technology reduces fuel consumption by up to 40%, extending the range while providing a smoother ride. Despite its impressive capabilities, the INFINITI 60 GT maintains a modest beam, allowing for easy berthing in standard slips and even beaching for exploration in shallow waters. Discover the perfect blend of luxury, performance, and versatility with the INFINITI 60 GT – the ultimate Sandbar party boat awaits!

Basic Information
