Overview

“Deo Juvante” is one of the newest and best kept Sunreef 62’ catamarans on the market. She has all the bells and whistles, with a huge flybridge with ample seating and a helm station. All lines lead to the helm electric winches allowing for shorthanded operation.

For those long voyages out at sea “Deo Juvante” comes well equipped with new 10x200 AH Lithium Ion batteries, and solar and wind generators. She is fully air conditioned for those hot days after you are done enjoying all she has to offer on deck. She is equipped with a washing machine and water maker and all electronics are commercial quality. She is the coveted 3 cabin, 3 head Owner’s version. The owner’s cabin occupies nearly an entire hull. Two huge forward compartments can be outfitted as crew cabins.
