## Overview

---

Introducing the Infiniti 52, a groundbreaking racing yacht engineered for unparalleled performance and comfort. Harnessing Doyle Sails' innovative Cableless technology and featuring a highly efficient transverse DSS foil, this 52-foot marvel delivers proven speed without the complexity of traditional foil systems. With the ability to sail with a smaller crew, thanks to its significant righting moment, the Infiniti 52 maximizes competitive efficiency while minimizing costs. Versatility is key with the Infiniti 52, excelling in both inshore and offshore racing. Its optimal size strikes the perfect balance between comfort and excitement, providing exhilarating sailing experiences while remaining spacious enough for overnight journeys. Designed to elevate offshore racing to new heights, its ergonomic deck equipped with Harken air winches and deck gear ensures seamless operation, while the refined interior offers comfort during extended voyages. Setting a new standard in the 52-foot class, the Infiniti 52 boasts watertight systems, generously sized bunks for resting crew members, and impeccable ergonomics for enhanced performance. Owners can enjoy competitive racing without the need for a full professional crew, making the Infiniti 52 the ultimate blend of speed, comfort, and efficiency on the water.
