SPECIFICATIONS

Overview

LAZZARA UHV 125 The UHV 125 takes the best of the UHV 87 and 100 and adds a sun deck to expand your outdoor space, as well as larger aft and forward deck spaces. With the larger aft deck there is room for a jacuzzi and an optional davit. When you chose the second deck salon it will be the size of a typical main deck salon so you will have no shortage of interior space. The main deck master features a walk-in closet/dressing room, a fold down balcony, and office space. Of course, you can choose instead to have the master on the second level in place of the salon and a country kitchen on the main deck. On the lower deck there are 4 large guest cabins, for a total of five guest cabins. A captain's cabin has been added in the bridge, as well as 2 convertible crew cabins on the lower deck with space for 6, and a large crew galley that can serve as a second main deck galley. As with all Lazzara Yachts you do not have to compromise when it comes to luxury, appearance, behind the scenes systems, or quality. This fully displacement yacht we be a long-range cruiser and once aboard you will never want to leave.
