Overview

The Lazzara Limited Edition LSX 67 has been designed as the ultimate 'sport express yacht'. With a striking exterior profile and innovative arrangement, this yacht will not go unnoticed. In a revolutionary design move, the full-beam master suite has direct access to an aft deck entertainment area and beach club. The Lazzara Limited Edition LSX 67 is the only yacht in her class to offer such an arrangement, and the exceptionally large master suite affords the owner uninterrupted views port, starboard, and aft from the cabin via the full beam sliding glass door.

The beach club space is extended further by fold-down balconies on the port and starboard sides, the largest in this class of yacht, creating an expansive aft deck and terraces at the water's edge. A social seating arrangement makes this area a fantastic spot for entertaining and the platforms facilitate easy access to and from the water. Steps on either side lead up to the main deck.

The Lazzara LSX 67, with its modest draft, proves to be perfect for coastal cruising and island hopping, making it an ideal choice for navigating shallower waters.
