Overview

At a length of 18.33m or 60' 2", the MIR RENAS is fantastically grand yet remains an impressively agile craft. Its size delivers all the gravitas and personality of a much larger vessel, yet still allows for the opportunity to access smaller marinas and hidden bays inaccessible to larger yachts. A fine balance perfectly struck by the FERRETTI YACHTS team.

Step aboard this 2003 Ferretti 590 and experience luxury living on the water. With its spacious interior, three beautifully appointed staterooms, and ample outdoor space, this yacht is perfect for those who demand the very best. Powered by twin MAN 1050 engines, it offers impressive performance and a smooth, comfortable ride. Contact us today to schedule a viewing and see for yourself why this yacht is the perfect choice for those who demand the very best in luxury and comfort on the water.
