## Overview

### 2024 Jeanneau NC 895 Sport T-Mercury 250XL DTS 4-Stroke (2x250hp)

The NC 895 Sport has redefined what a 29 footer can offer. She features a fully enclosed cabin and an innovative layout that combines the design features for security, ergonomics and true comfort aboard. The NC 895 Sport is truly an all-weather craft equally suited for the cool weather of the Pacific Northwest as it is for the steamy weather of Florida.

The NC Sport is built for outside living at its best. With this in mind the 895 Sport offers a spacious convertible cockpit complete with an U-shaped aft folding bench seats and table that allows you to tailor your day underway. The aft benches fold up, maximizing the space for stowing of tubes and coolers. Engines can also be fully tilted up out of the water, while still using the aft cockpit space. When it's time to store the paddle boards and kayaks, throw them up on the secured stand up paddle board rack.

Will be on display at the Palm Beach International Boat Show March 21<sup>st</sup> to 24<sup>th</sup> 2024 on Ramp 7 at the InterMarine Booth
