Boat REF# · 330340Length · 32'0"Year · 1968Construction · WoodUnderwater profile · Full-DisplacementSleeping berths · 5Engine · 1 x diesel 120hp, Lehman 120 (1968)**Lying · Seattle, WA USA - Shown by Appointment**

Broker's Comments:A true wooden boat classic, our Grand Banks 32 is solid and sound, with the addition of bow and stern thrusters! As noted in the Power Boat Guide the model is a favorite among mariners:

"Known for her beauty and practicality, the Grand Banks 32 is one of the best-selling small trawlers ever produced. A total of 861 were built during her production years, and used models are always in demand. (Note that she was built of wood until 1973.) With her classic trawler profile, solid construction, and single stateroom teak interior, the 32 Sedan is a head-turner wherever she goes."This classic wooden boat is structurally sound per recent survey.External Bow and Stern Thrusters have been added to make maneuvering a breeze when docking or managing the boat in tight spaces.Moorage is transferrable in an ideal Seattle location in a covered slip in a prime Ballard location that has a famous popular restaurant on site.
