SPECIFICATIONS

Overview

The Catalina 30 Mark III combines the classic charm of the extremely successful earlier Catalina 30s with modern updates, featuring a wider, walk-through transom, and cockpit for improved functionality. Below deck, practical enhancements include a larger galley and increased storage options.

With its tall rig and shoal draft wing keel configuration, this vessel offers enhanced performance and access to shallow areas. Renowned for its exceptional volume and stability, this sailboat provides a comfortable retreat after a day on the water. Upgraded in 2023 with a Beta 20, 20 hp diesel engine.
