SPECIFICATIONS

Overview

Preliminary Listing

2023 Ferretti 550 Fly, the yacht epitomizes luxury, elegance, and cutting-edge design, making it a standout choice for discerning clients. With its impressive specifications and design features, this model continues Ferretti's tradition of excellence in yacht manufacturing.

Technical Specifications:

Length Overall: 57'2" providing ample space for comfort and activities.

Beam: 15'10" ensuring stability and roominess aboard.

Draft: 4'3" allowing access to a variety of marinas and shallow waters.

Displacement: 55,116 LBS indicating a robust build and capacity for guests and provisions.

Fuel Capacity: 660 US gallons offering extensive cruising range.

Water Capacity: 180 US gallons sufficient for prolonged voyages without frequent resupply.

Engines: MAN i6-800 CR, enhancing the top speed to 31.5 knots and cruising speed to 26 knots, providing both power and efficiency. Low Hours

Design Highlights:

A restyled version of one of Ferretti's best-loved models, the 550 Fly combines innovation with an exclusive interior design, in collaboration with prestigious Italian luxury brands.

The yacht features a unique hull design, various interior layouts, and strategically arranged engine rooms, all contributing to its elegance and practicality.

Enhancements include wraparound glazing on deck for added sophistication and three large hull windows that allow natural light to flood the cabins, offering breathtaking views from the inside.

Flush portholes in the glass, without a fiberglass frame, contribute to the yacht's sleek, clean aesthetic.

Outdoor relaxation is elevated with a lowered flybridge and a new forward lounge area on the wheelhouse, providing private al fresco spaces without compromising the yacht's harmonious lines.

The 2023 Ferretti 550 Fly is indeed a masterpiece of luxury yachting, designed for those who demand the best in maritime craftsmanship, performance, and onboard living.
