SPECIFICATIONS

Overview

Jasper Marine works together with long established companies who specialize in marine engineering, computer lofting, and boat design. We manufacture those tested and proven designs with a high degree of craftsmanship and attention to detail. Defender 22 Proudly manufactured on the Sunshine Coast in Gibsons, British Columbia the Defender 22 is a lot of boat crammed into a 22ft package. With its brand new, innovative, and fully insulated walk-through cabin design, it's perfectly suited for a wide range of uses. Whether it be fishing, weekend camping adventures, day trips, or commuting, this is the boat for you. With its 8'6" beam, its extremely stable, roomy, and trailer-able. With ease of access to the bow, it's great for gear storage and access to beaches. Its roomy aft cockpit is an excellent zone for fishing, socializing or any other activity. The insulated cabin, with efficient heating and cooling, ensures comfort in any climate. We are very proud to introduce this extremely practical, versatile, and stylish boat. DURABLE MARINE GRADE ALUMINUM Not only do our materials provide exceptional strength, durability, and operator forgiveness, they do so while requiring a low degree of maintenance. PREMIUM FINISHING A well made boat deserves to be exquisitely finished! Although this area is designed around your input we have access to many distributors and will professionally install all finishing products.
