Overview

Italian elegance, Dutch ingenuity and British craftsmanship is what makes the Targa 65 GTO a spectacular award-winner. Created by Italian superyacht designer Alberto Mancini, his innate sense of flair has led to this – a yacht that’s innovative, versatile and achingly stylish. The extended cockpit is the place to plan the day’s adventures, while the spacious foredeck invites you to relax, whenever you want. With its ability to offer absolute peace and quiet, yet always ready to embrace all-out fun, this is what perfection truly looks like. Combined with the rigorous and proven naval architecture by renowned Dutch firm Vripack, and matched with the usual unparalleled Fairline craftsmanship, it’s a natural step for anyone who wants stunning good looks and creative flair from bow to stern.
