SPECIFICATIONS

Overview

FANCY is a stunning sailing yacht designed by naval architect **Gilles Vaton**. She is crafted using carbon-nomex composite by the renowned French yard **JMV Industries**, creator of numerous super-performing, cutting-edge hulls, including the famous IMOCA 60 GEODIS, with which Christophe Auguin won the Vendee Globe and the splendid MARI CHA IV, one of the most beautiful and fastest boats in contemporary yachting.

Fancy's hydraulic **lifting keel** allows her a draught of up to 5.50 metres, ensuring an outstanding sailing experience and performance in all weather conditions. Modern high-performance cruiser-racer, FANCY was launched by JMV Industries of Cherbourg in 2004.
