The Pursuit S 328 will broadens the sport series range. Series styling translates to 32 including the oversized fiberglass integrated hardtop and windshield system, updated classic sheerline, throughstem anchor system and integrated transom extensions. The exterior styling will be complimented inside by a forward wrap-around lounge at the bow just opposite of the forward facing seating in the console. A large helm seat faces the generous console with access to the console getaway below. A two-person berth converts to an aft facing seat with large open storage areas port and starboard. A head and sink with vanity could let you overnight and at least freshen up for a dinner shore side. The aft cockpit accommodates serious fishing and with the fold away fore and aft seats quickly converts to a social area at the dock. All your fishing necessities are built in and the new Pursuit optional side dive door adds to the overall use.
