## Overview

---

On display at Suncoast Boat show April 19th-21st

If you are in the market for a motor yacht in this size range, this one should be at the top of your list. Seller has decided to move up to a larger boat. This is your opportunity to grab a professionally maintained, turn key, owner operator Princess 67. Her professional care and limited use sure shows.

You will love how practical the layout is on this 2006 Princess. With two options for accessing the flybridge, the aft deck and interior staircase, this is truly an entertainers yacht. There is room for twenty comfortably on her flybridge, along with a MarQuipt crane for hoisting a tender or a jet ski. This 67' Princess offers a rare, factory fiberglass hard top, with an electronics mast. Comfortable wide side decks lead to the fordeck which offers a sun lounge, and stainless ground tackle. There is a watertight door on the starboard side allowing easy access from the lower helm to the side decks. Her expansive aft deck offers like new teak decks, renewed upholstery, and space to add an alfresco dining table. Inside the large volume continues with a generous salon, galley, and lower helm station on the main deck. Below deck there are three well appointed guest cabins, all offering their own private ensuite. The master cabin is full beam, and is truly an oasis fit for royalty, with large vertical windows on either side of a king sized walk around bed, and a massive ensuite.

This boat has experienced light use. Most of her hours were accumulated while relocating the boat from Florida to the Great Lakes twice. This Princess is truly in immaculate condition. Currently located in south Florida seller has invested an open wallet improvements. Some of the items completed were new exhaust shields and blankets, certification from CAT completed for 1,000 hour service, engine room detailed and painted where necessary, new hose clamps and hoses where necessary, new belts and pumps. Full list of cosmetic upgrades can be provided. All service records and previous survey are available upon executed purchase agreement.

This is the yacht you've been dreaming of. It's time to find yourself on the water.
