## Overview

---

RED OCTOBER is a beautiful, semi-custom luxury trawler from the renowned US builder, Cherubini Yachts. Featuring a high degree of quality workmanship and materials, she has also benefitted from meticulous ownership. With a desirable two stateroom/two head layout, she is an efficient cruiser at traditional trawler speeds, yet she offers the impressive ability of cruising speeds in the mid-teens if desired. She should be considered a "must see" by anyone desiring a sturdy and efficient Pacific Northwest cruiser or a capable Caribbean and/or Great Loop platform for those wishing to move her to the Atlantic.
