Overview

AVAILABLE NOW IN THE SHIPYARD!

ARCADIA A85, the very first model from the Italian yard, hailed a radical break with tradition, setting a new benchmark for the sector very quickly. The design remains so contemporary, in fact, that several new builds making an appearance on the market were clearly inspired by the ARCADIA YACHTS 26-metre

REAL CONVIVIALITY

ARCADIA 85 is designed to be a family yacht, which combines different exterior functions in one single deck, giving guests more possibility to spend time together while interiors profit by the advanced aesthetic sensation of “open space” and closer contact with nature thanks to the the full high-tech “floor-to-ceiling” windows.

SUSTAINABILITY

Yard's passion for solar technology and clean mobility is finally expressed on this yacht, equipped with approx 40sqm of photovoltaic panels each composed of hundreds of high performance solar cells.
