Do not miss this opportunity to own a brand new Dufour 530 - Enroute to California

The Dufour 530 is a vibrant reflection of Dufour Yachts extensive knowledge and history in fiberglass boat building. Developed on the architectural premise of combining the older Performance and Grand Large ranges, its authentic racer hull has been designed with exhilaration in mind but also keeps the comforts and stability of a true cruising sailboat. On top of that there are also some breathtaking innovations such as; a redesigned cockpit with more seating and easier access to the side decks, a revolutionary twin zone Bimini concept, and an incredibly spacious three cabin / three head interior layout.

We don't have actual photos of this boat yet. Photos are a mix of manufacturer photos and photos of a Dufour 530 we just sold.
