SPECIFICATIONS

Overview

THE WROE BOAT is a 2007 VIKING 45 OPEN, is a great example of a Sportfish with excellent speed powered by low hour MAN 1100hp Common Rail engines. The 45 OPEN is one of VIKING's most highly desired models for tournament fishing or cruising with family. Straight inboard drives, a solid glass hull, and near perfect weight distribution create a fast, dry, and stable ride in rougher sea conditions that keep similar sized vessels at the dock.

THE WROE BOAT is generously equipped, and has been maintained in superb condition making her the perfect vessel to fish, cruise and entertain.
