Overview

The Mr. K Iriston, a spectacular 92 feet 1 inch (approximately 28.07m) long motor yacht, weaves together a unique blend of luxury, sustainability, and state-of-the-art technology, standing as a testament to the cutting-edge yacht building abilities of the world-famous Sunseeker. This remarkable vessel was launched in 2021, exhibiting the avant-garde designs and innovation which have catapulted SUNSEEKER to the very pinnacle of the maritime industry. Upon first glance, one can't help but be enraptured by the sleek profile and striking silhouette of the Mr. K Iriston. Its aerodynamic shape, which combines subtle curves and defined lines, lends the vessel an aura of elegance and uncompromisable strength. For those seeking the perfect amalgamation of speed and luxury, the Mr. K Iriston fits the bill with its robust design and powerful engines. Crafted by the knowledgeable and skilled builders at SUNSEEKER, the yacht's high-performance hull and meticulously engineered propulsion system offer sustainable and efficient cruising options. These technological advancements allow the yacht to expertly skim the water's surface and provide an exhilarating experience for the speed enthusiasts, without compromising the comfort of its passengers. As you step aboard the Mr. K Iriston, you're immediately greeted by the elegant, tastefully appointed exteriors that seamlessly blend with the sun-kissed decks outside. The stately teak decks, coupled with contemporary fixtures and fittings, exquisitely showcase SUNSEEKER's unique yacht-building philosophy. The numerous exterior lounging spots add to the charm of this splendid yacht, offering ample space to relax, dine, or entertain in style. While the spacious aft deck serves as a perfect space for casual outdoor dining or lounging, the sun-drenched flybridge, showcasing a well-equipped wet bar, comfortable seating, and a large sun pad, grabs the limelight. It's an ideal place for entertaining under the stars, or soaking up the sun while relishing panoramic views of the surrounding seascape. The interiors of the Mr. K Iriston reflect the epitome of luxury and innovation, housing a beautifully designed salon and a formal dining area. The yacht's interior design effortlessly balances aesthetics and functionality, creating light and airy spaces for an open and comfortable onboard living experience. The smartly utilized and spaciouly laid out interiors add to the overall grandeur of the yacht, with their top-quality furnishings, exquisite decor, and high-end entertainment systems. The Mr. K Iriston accommodates numerous staterooms, ensuring a relaxing end of the day for everyone on board. The full-beam master cabin displays a delightful blend of style, comfort, and luxury. It's not only a place for rest but a private retreat on the sea equipped with a personal entertainment system. The well-planned placement of other guests' and crew's quarters affirms privacy and tranquility for everyone on board. The innovative design of the Sunseeker-built Mr. K Iriston also extends to its garage that can efficiently house a range of water toys and tenders. This unique feature enhances the overall yachting experience by opening up a world of ocean-based adventures for guests onboard. In conclusion, the Mr. K Iriston, crafted by the skilled and experienced hands at SUNSEEKER, is more than just a motor yacht. Boasting a predicament of extravagance, style, and high-tech engineering, its 92 feet 1-inch long structure bespeaks magnificence. It is where bountiful luxury meets fine craftsmanship, and top-tier amenities converge with paramount comfort. Designed to deliver an unmatched sea journey, this

luxury motor yacht, with its extraordinary features and capabilities, is indeed a modern maritime marvel. Its unparalleled aesthetics and efficiency since its launch in 2021, speaks volumes about its superiority, making the Mr. K Iriston a coveted choice for those seeking an upgraded yachting lifestyle.
