SPECIFICATIONS

Overview

The Antares 8 Fishing boasts a sleek sporty design and delivers new features that will be popular with anyone who loves sea activities, particularly fishing; with the characteristic style and elegance of this iconic line and real comfort. Exterior Design

The Antares 8 Fishing is far more sporty in style than the Antares 8 Cruising and boasts dedicated equipment for those who love to fish. Its modular cockpit makes movement easier and every detail has been optimized.

The aft bench has been replaced by a fishing station with professional-grade rod holders. In addition to the water circulation live bait well, there are three storage compartments under the deck, one of which can hold a fish box.

A major new feature is the side access gate to starboard, making mooring maneuvers easier and also making it easier to lift larger catches on board.

Interior Design

IDEAL FOR AVID FISHERMEN and WOMEN

The fishing equipment on the Antares 8 Fishing makes it the ideal boat for keen salt water fishers.

The rod holders are built-in to the freeboards but also into the hard top continuing the roof. An aft searchlight is located on the roof, and a LED projector light faces forward to increase visibility when navigating by night.

Modular Saloon

The modular saloon with folding benches provides optimal space and makes crew movements easier. Once the removable table is installed and the benches unfolded, the Antares 8 Fishing provides a comfortable saloon in which to enjoy good company, while being protected from the weather.
