SPECIFICATIONS

Overview

ARETI I's Burger pedigree has been maintained since her original launch, with all systems and equipment consistently serviced and/or upgraded. Preventative maintenance has always remained a top priority.

The interior design brilliance of Douglas Richey coupled with the naval architecture and exterior styling flair of Don O'Keeffe and the exceptional craftsmanship and engineering expertise of the Burger shipyard, created this beautiful Tri-Deck Motor Yacht, which so elegantly bridges the gap between the most classic Burgers and the more modern, higher freeboard designs. In short, **ARETI I** is simply stunning from all perspectives and she serves up four decks of luxurious comfort and entertainment, including several inviting outdoor living spaces for all to enjoy.

Her recent yard period of scheduled maintenance and service continually keeps her at a superior level of yachts her age and in immaculate, superbly-maintained condition.

ARETI I is in turn-key condition in every way and ready to cruise in complete comfort, safety and luxury.
