SPECIFICATIONS

Overview

****ALL NEW EXTERIOR SOFT GOODS AND COVERS.**

Launched in 2017 in Viareggio, Italy, by the Italian builder Azimut Yachts, SATISFACTION is a 26m (84ft) motor yacht crafted from durable GRP and highly customized by renowned Italian designer Achille Salvagni.

Inside, SATISFACTION exudes luxury with its hand-picked Italian marble, deep pile carpeting, and bespoke seating throughout. The main saloon offers an open layout, boasting a spacious lounging area on the port side and a dining area forward. Large windows flood the space with natural light, creating an inviting and well-lit entertainment area.

Accommodating up to 8 guests in 4 cabins, SATISFACTION includes a full-beam owner's suite on the lower deck with a private stairway. Three beautifully appointed guest cabins with en-suites can be found on the lower deck forward, comprising three double berths and one that can be converted into single berths.

SATISFACTION exterior decks perfectly balance luxurious living and outdoor entertainment. The expansive flybridge stands out as a highlight, providing a sun lounging area aft for relaxation. The main deck aft features an al fresco dining area, ideal for enjoying meals with a breathtaking view. The swim platform provides effortless access to the water and connects seamlessly to the transom.

Powered by twin 1,800 MAN diesel engines, SATISFACTION delivers impressive performance and comfort on the water. With top speeds upwards of 27+ knots and a comfortable cruising speed of 24 knots, she's ready for exhilarating adventures.
