## Overview

### 2023 Fountaine Pajot Aura 51 Smart Electric | *Soleil*

*Soleil* represents an incredible opportunity to acquire a brand-new Fountaine Pajot Aura 51 in a Smart Electric version.

Just handed over from the shipyard, *Soleil* has been 'debugged' and delivered to the Mediterranean, but unfortunately unforeseen personal circumstances have forced her owner to cancel his cruising plans.

You can now jump the queue on a new boat order and be ready to set sail from the south of France on this award-winning model now!

Fully equipped with all possible options and extras, *Soleil's* obvious highlight is her electric propulsion system that is of the highest industry standard for silent and clean cruising.

*Soleil* features a six-cabin layout to accommodate the largest families or a group of friends for unforgettable getaways.

She is equipped with a big 32 Kva generator, solar panels, 2 x 32kw / hr Lithium modules, two watermakers, washing machine, two Garmin chartplotters, Starlink dish, Miele induction cooktop, and also full suite of brand-new power tools, SUPs, spares and much more!

Do not miss this remarkable opportunity – *Soleil* has not been imported yet and represents superb value for a savvy buyer.

Contact the team to arrange a personal or virtual inspection.
