SPECIFICATIONS

Overview

The first thing you will notice when looking at the popular Ranger Tugs R-23 is the dramatic, curved windshield and visor, accompanied by several overhead skylights. There is no shortage of light or visibility onboard the R-23, which incorporates four opening roof hatches, sliding side windows, and an opening glass bulkhead, providing an open and airy feeling inside and out. Opening portlights also allow for a nice cross breeze in the cabin. The R-23 is powered by a 200 HP Yamaha outboard.
