SPECIFICATIONS

Overview

Built upon the exceptional family of award-winning Manhattan models, the Manhattan 68 offers the ultimate yachting experience with an extraordinary level of comfort and luxury throughout.

Throughout the main deck, there is a strong focus on creating generous, usable sociable spaces. The exterior lines flow effortlessly from the Portuguese-bridge bow seating and sunbathing areas to the expansive cockpit adjoining an innovative Beach Club with enhanced features, including a dedicated water level locker for two SeaBobs, delivering effortless enjoyment. Internally, the expansive main saloon benefits from sweeping glazing, extending below the TV console, revealing glimpses of the sea from all perspectives.

The fully-equipped aft galley with a large dinette links seamlessly to the cockpit via full-width sliding doors, helping to bring everyone together. The innovative design layout allows yachting owners to welcome guests with a strong focus on ambient lighting and interior detailing. Access to the spacious guest cabins is via the lower helm and elevated companion seating, whilst the sumptuous master cabin amidships is accessed via its very own staircase to port. This exceptional layout allows the owner and guests to move effortlessly between spaces. The interiors boast exquisite attention to detail with a new palate of upholstery that provides a cool, crisp, and contemporary look, unmistakably a Manhattan.
