SPECIFICATIONS

Overview

"G One" is an exceptional example of a perfectly equipped Leopard 50. This single owner boat had no expense spared, and with cruising the world in comfort the owners took delivery and equipped the boat in South Africa. They included the dinghy platform that doubles as a beach lift and Flexi Teak throughout the yacht including the showers.

The owners have sailed her 1000's of nautical miles through Europe and the Caribbean with Ft Lauderdale to be the final destination. At no point in the last 2 years did they ever not feel safe even during storms and big sea conditions. She is ready for a new lucky buyer in the Bahamas right now!
