SPECIFICATIONS

Overview

This is a nearly brand new boat that has had limited use up in the colder northern region of the US where the boating season is short and the boats are stored indoors in heated buildings during the winter season. She looks like a brand-new boat with only 106 hours on the main engine and 1.4 on the generator.

She has all the standard features of the Luxury edition and has the following added options: aft steering station, flybridge bimini, carpets for both the main salon and cockpit, as well as a second Garmin unit at the main helm. She is priced well over \$60K less than a new boat but is almost indistinguishable from a new vessel.

Come see her today before someone else gets her hands on this amazingly well cared for and beautiful boat!
