## Overview

---

True to the Do-It-All nature of Cutwater Boats, the C-288 C is loaded with premium features as standard equipment, providing unsurpassed versatility. The contemporary Downeast design is set to turn heads wherever she roams, and avid cruisers will appreciate the abundant power produced by the twin counter-rotating Yamaha F250 outboards.

The C-288's advanced hull design delivers the perfect blend of performance, comfort and efficiency thanks to the double-stepped deep-V hull, Laminar Flow Interrupters and a stout 10' beam. The generous beam maximizes cabin area and on-water stability while remaining trailerable.
