SPECIFICATIONS

Overview

We listened to those asking for the next new model to be larger than the 235HT with a private head, sink to wash up, and comfortable accommodations for two. For serious anglers, you'll arrive at the fishing grounds faster and enjoy a longer and wider cockpit to fight big fish- which you can bring aboard through the walk-thru transom door.

All-business hull runs across the wave tops with a wide-open throttle of 56 miles per hour! Sporting a 22-degree dead-rise and 9'5" Beam, the new 255 handles inshore or offshore conditions like a champ, running dry and comfortably- as you would expect from a NorthCoast pilot house sport fishing boat. 159 usable gallons of fuel at 3000rpms | cruising at 25MPH | *12.9GPH and a conservative range of 268NM nautical miles or 302 statute miles. Even tops 30MPH- if you need to get home on one engine.

With two 139 quart macerated in-deck Fish boxes, a self-draining deck, 26-gallon transom Blue lighted Live Well, 2 tackle storage bins, and drawers, 113 quart insulated cooler under the portside seat, cubbies for wallets and 12volt USB adapters, and a helm with room for two 12" touch screens. Opening windshields and side windows let fresh air abound with windshield wipers port and starboard. This platform is rugged, versatile, and focuses on fishing performance- exceptional!
