SPECIFICATIONS

Overview

Performance, versatility, and comfort are central to the design of the Cutwater C-32 Command Bridge. The advanced double-stepped, deep-V hull combines speed, efficiency, and superior stability. Our Laminar Flow Interrupters allow for smooth, positive cornering. Roll the throttles forward and you'll feel the powerful twin, counter-rotating 300 HP Yamaha outboards propel the C-32 CB to remarkable speeds.

Upon stepping into the comfortable interior, you'll feel fully at home. With wood accents throughout, a fully furnished galley, a large dinette, a private head and shower, and a luxurious forward stateroom featuring an island bed with recessed LED lighting, the C-32 CB provides a resort-like experience. The large mid-ship stateroom and convertible dinette comfortably sleep up to four additional guests.

You'll find extensive entertaining space on deck. The cockpit hosts expanding seating, a rear-facing lounge, an electric BBQ grill, a sink, and an additional refrigerator. Moving to the foredeck you'll love the hide-away lounge seating to relax and take in the sunset.

Equipped with the latest in marine electronics, the helm is where you're fully in control. Dual Garmin 8612xsv chartplotters with sonar, xHD radar, VHF, electronic throttles, and joystick thruster controls, all work in unison to get you where you want to go, quickly and safely. Step up to the Command Bridge for the same electronic enhanced navigation experience, plus a towering 360-degree view.

Perhaps the most exciting new feature of the C-32 CB is the first of its kind, Clear-Path swim platform boasting thirty-two square feet of level, unobstructed, nonskid decking without any outboard well, rigging tubes, or hoses to trip over. Heavy-duty stainless-steel handrails provide stability for boarding, fishing, watersports, and safe dinghy access. To sum it all up, the C-32 CB is a robust, do-it-all all-outboard cruiser that gives you the freedom to get out there and cruise, fish, explore and more!
